

MULTIVIT

A powerful cocktail of vitamins that illuminates your skin.

AINHOA

The power of vitamins on the skin is universally recognized in skincare: they are essential for the skin's health and beauty. The stress of daily life, environmental aggression, lack of sleep, unbalanced diet, etc. mean the skin may need to "recharge" itself with vitamins to maintain a healthy and youthful appearance. AINHOA has created **MULTIVIT**, a powerful cocktail of vitamins that awakens the vitality and natural luminosity of the skin. Thanks to a powerful antioxidant effect, it protects the skin from the damaging effects of free radicals, which are responsible for premature skin ageing. Instantly, the skin is revealed to be fresher, more radiant and revitalised, full of youth. It recovers all its natural light. A real cure for dull, matte, fatigued and devitalised skin. An authentic "multivitamin juice" for the skin.

Multivitamin Cream (50 ml):

Light-textured facial cream with great antioxidant, revitalising and hydrating power. It is formulated with a powerful cocktail of vitamins essential to the skin (C, E, B₃, B₅) and Reconstituted Red Coral Extract (10 vitamins, proteins and mineral salts). Thanks to the unique combination of its active ingredients, it offers the skin global protection against the action of free radicals, preventing premature skin ageing. It awakens the vitality and luminosity of the face while it promotes a uniform tone. It hydrates instantly, improving the skin's elasticity and softness. It reinforces the skin's protective barrier function, making it more resistant to environmental aggressions. It helps blur the signs of fatigue on the face, revealing a more vital, fresher and more luminous complexion. Suitable for normal to combination skin.

Rich Multivitamin Cream (50 ml):

Rich-textured facial cream with great antioxidant, revitalising and hydro-nutritive power. It is formulated with a powerful cocktail of vitamins essential to the skin (C, E, B₃, B₅, F), Reconstituted Red Coral Extract (10 vitamins, proteins and mineral salts), Shea Butter and Hazelnut Oil. This exquisite cream offers the skin global protection against the action of free radicals, preventing premature skin ageing. It recovers the vitality and luminosity of the face while promoting a uniform tone. It hydrates and nourishes the skin instantly, helping repair the skin barrier in dry skin, to offer a pleasant sensation of softness, comfort and suppleness. It helps blur the signs of fatigue on the face, revealing a more vital, fresher and more luminous complexion. Suitable for dry skin.

Vitaminised Luminous Concentrate (50 ml):

Concentrated facial serum with great antioxidant, illuminating and revitalising power. It is a true source of luminosity and vitality for the skin, formulated with a powerful cocktail of essential vitamins (C, E, B₃, B₅) and Reconstituted Red Coral Extract (10 vitamins, proteins and mineral salts). It helps protect the natural cellular DNA repair system against UV oxidative stress, preventing premature skin ageing. It revitalises the skin in depth and helps unify its tone. It immediately provides light and radiance to the face for a "good face" effect that instantly improves the skin's appearance and visibly reduces signs of fatigue. An extra of hydration, tone and comfort makes this velvety serum the best ally to give new life to your face, obtaining the result of more luminous, vital and beautiful skin.

Luminous Eye Contour Cream (15 ml):

Silky cream for the eye contour area with illuminating, antioxidant, anti-bags and hydrating effects. This exquisite eye contour product provides light and vitality to the glance, as well as reducing wrinkles and improving skin firmness in a lasting way. It offers intense antioxidant protection against free radicals thanks to the fusion of its vitamins, which work in perfect synergy preventing premature ageing. It improves hydration with lasting effect and it reinforces the renewal of the skin's natural barrier, protecting it against external influences. The action of a powerful anti-bags active ingredient helps reduce accumulations under the eyes, blurring the signs of fatigue. Its refined and enveloping texture, with a pearly appearance, melts into the skin for a radiant glance, full of light and life.
